

National 5 Past Paper Revision

To be fully prepared for your final **N5 exam** on **Wednesday 14 May** it is essential that you work systematically through past paper questions. You should attempt **at least one paper per week** between now and the start of study leave. Don't forget that study support is available **every lunchtime and every day after school** in the maths department.

You can access all **Past Papers** and **Solutions** at www.madrasmaths.com by choosing National 5 from the Revision tab. Full video solutions are available on <http://www.youtube.com> search "DLBMaths Nat 5 Maths"

Please work through the papers indicated below and use the solutions to mark your work.

Note the numbers of questions you need help with and ask about these in class or at study support.

You teacher will ask to see your jotter regularly to check on your progress.
